Carnival Features Sought By The Stampede Assn.

The executive of the Raymond Stampede Assn. are trying to work out a plan to have a carnival at the Stampede this year. But this carnival will be different. Instead of having some outside organization come in and take hundreds of dollars out of town, it is proposed that the people and organizations in this area be given the opportunity to stage their own show and keep the profits here. Any one having an idea for a ride or a game or any side-show attraction is asked to contact Mel Depew as soon as possible.

There is still snow on the ground and frost in the air but now is the time to make arrangements for having one of the best Stampedes ever.

Incidentally the Stampede will be held this year on June 30th and July 2nd.

Mr. and Mrs. Loren Larsen entertained at a breakfast for her brothers Harold and Earl who are returning to Utah after attending a party in honor of their father John C. Peterson of Cardston on his 82nd birthday.

The party was held at the home of Mr. and Mrs. C. S. Matkin of Magrath on Saturday January 28th with 49 members of the family attending. Mr. Peterson is the father of 13 children, 11 of whom are living, 33 grandchildren and 20 great grand children.

A farewell party and handkerchief shower for Edna McLeod was held on Thursday January 26th at the home of Mary Fairbanks with many friends attending to enjoy a good time visiting and watching T. V. shows. Mabel Salmon led the group in playing games. June Fawns gave an original reading about Edna after which she opened her many gifts and graciously thanked the ladies for their friendship through the years, and for the gifts.

Delicious refreshments were served by the hostess assisted by Vivian Preston, Jane McMullen and Beth Zemp.

Edna has since left Raymond and is established with her daughters in her new home in Cardston.

Union Jack and Magrath Rockets Present Their Case

Raymond, Alberta
Feb. 2, 1956.

To the Executive
Of the AABA.

Dear Sirs:

We the Raymond AAA sponsors of the Raymond Union Jacks along with the management of the Union Jacks and the Magrath Rockets, wish to appeal the decision of the Registration Committee of the AABA.

Re: The refusal of that body to register as members of the Raymond Union Jacks or the Magrath Rockets the following players. Namely Doug Terry, Lawrence Stevens, and Allan Shaw for the Union Jacks and Al Greenway for the Rockets.

The above named players did play basketball in the International Basketball League. This League is strictly independent having no connection or affiliation with the AABA whatsoever.

These players were members of the Lethbridge Green Acres Basketball Team, which tried to register with the AABA for Provincial competition, but were ruled ineligible by your body, owing to late entry. An appeal of this ruling was lodged by the Lethbridge Green Acres. A wire vote of the Executive of the AABA was evidently taken and the first ruling upheld. The Green Acres application was again turned down.

Therefore we maintain: "That the players in question became free agents"

(continued on page two)

On Sunday January 29th Mr. and Mrs. John Smith attended a farewell party for his sister Ruth Smith of Lethbridge who is leaving for a long term D. S. Mission to Australia.

Little Lanny Meeks, son of Mr. and Mrs. Glen Meeks, celebrated his sixth birthday on Wednesday February 1st when his mother entertained the members of his Kindergarten Class at a delightful party. Games were played and the high light of the party was a birthday cake with six brightly lighted candles.

Large Crowd Enjoys "Macbeth"

Thanks from the Stake MIA The Canadian Players production of "Macbeth" that was sponsored here on February 1st was a huge success. It was a fast moving play in which everyone knew not only his own part but everyone elses as well.

The almost capacity crowd, some of whom came as far as one hundred miles to see the play, enjoyed themselves and rewarded the players with generous applause.

The Taylor Stake M. I. A. wish to thank all those who assisted in bringing this wonderful production to Raymond.

Re: Our application for amateur cards and registration with the Raymond Union Jacks or Magrath Rockets

Dear Sirs:

We the undersigned, Douglas Terry, Lawrence Stevens, Allan Shaw and Al Greenway, wish to register a protest against the ruling as handed down by the Registration Committee of the AABA and presented by Mr. Hollingsworth Sec. - Registrar to the Manager of the Raymond Union Jacks - Mr. Peter Vanderhilt.

The ruling being: "That we could not register as Seniors with any team in the South", but, "Were eligible to register with any Intermediate team in the town of our residence". We are making this appeal under Sec. 9 of Article X: of the Constitution, which states in part: Any individual may appeal the decision of this committee to the Executive of the AABA.

We maintain, that as we did not play on any team currently registered or associated with the AABA, we are free to apply for registration with any team we wish to join. Providing our application cards were in order and we got them in before the dead line of Feb. 1st.

We further wish to go on record as saying, "that there was no bidding for our services or was there any offer, made to us by any team". We were asked individually by Raymond and

CURLING COMPLAINT

My car is stiff, the weather's cold. To get some gas, it must be towed; But the pumps are locked, and I am told

They're Curling!

I've got a cold, I'm feeling tough, Without some rub it will be rough; The boss is gone — can't find the stuff—

They're Curling!

I feed the pigs and milk the cow— It goes to town, but not right now; They won't haul it anyhow—

They're Curling!

With faces shining like a jewel, Our kids must try to learn the rule; But do you find them in the school? They're Curling!

When Grandpas are away it's mighty rare, They are usually home in a rocking chair;

You are right they are not there — They're Curling!

Our mothers used to think it nice, To sweep the floors, and cook the rice But now they'd rather sweep the ice— They're Curling!

To curlers all who read this rhyme, Control yourself, forget this line; We can't fight now—I haven't time— I'm Curling.

Unless milk is pasteurized, it may be the carrier of the germs of undulant fever, typhoid or paratyphoid fevers, dysentery, bovine tuberculosis or other diseases which can affect humans. Commercially sold pasteurized milk is safe but raw milk obtained from other than commercial dairies should be pasteurized at home, if necessary. The operation is simple — just bring the raw milk to a temperature of 145 degrees F., keep it at that heat for 30 minutes and then cool quickly.

THE PLAYERS SAY (continued from front page)

Magrath if we would like to sign with them, in case the application of the Green Acres (then pending) for entry in the Provincial competition was turned down.

We were registered last year as Senior players. We can not see how the registration committee could rule; "Those boys can only apply for cards and register as Intermediate in the town of their residence."

1. We do not wish to play as Intermediates, we wish to remain Senior.
 2. According to Article IX; sec. 2 - a we are classed as Senior. In order to register as Intermediates we must apply and receive permission from the Executive. By the time we were made aware of the ruling of the Registration Committee it was already too late to beat the dead line, even if we had considered becoming Intermediates.

Trusting that the Executive of the AABA will consider this request, "For the reconsideration of the ruling made by the registration Committee and handed down by Mr. Hollingsworth Sec. - Registrar of the AABA."

Sincerely yours,

"Douglas Terry"

THE ASSOCIATION SAYS (continued from front page)

as they were not registered with any team connected or affiliated with the AABA. Sec. 3 of Article XI: Re: Qualification of players states: "A player may elect to play for a team in another town providing there is no team in the town where he resides."

Sec. 4 - Article XI: States: Prior Call to Players; No player shall be permitted to play for a team of another city or town if the city or town of his residence is operating a team in that division of competition. (end of quote) Sec. 1 - Article IX states: Competition shall be organized and promoted in each of the following divisions (1) Senior Men (2) Senior Women (3) Intermediate Men etc. Therefore there are distinct divisions of competition the definition of which are stated in Sec. 2 of the same article IX: Which says in part; A Senior Player is one who has competed in Senior Basketball in Alberta or elsewhere in the current season or the season previously completed.

Since there is no team registered with the AABA as Senior in Lethbridge the players were free to sign with whom they wished but only as Seniors.

When at the meeting of the Executive of the AABA in Calgary Jan. 22nd the Green Acres application for entry in the AABA playdowns was turned down, these players expressed a desire to play with the Union Jacks or the Magrath Rockets. Providing: "That the appeal of the Green Acres for a review of the ruling made by the AABA would be decided against them and they thus would be eligible to register or enter AABA playdowns as Green Acres". The decision of the AABA (then pending) was not officially made known until the morning of Jan. 30th.

As soon as Mr. Vanderhilt, the manager of the Union Jacks knew the decision he collected and had the cards completed of the players mentioned. In order to be sure they would get to the Registrar before the deadline for the registration of the players, he boarded the bus and personally handed the completed cards to Mr. Hollingsworth the Sec. - Registrar of the AABA and asked him to register these players.

Mr. Hollingsworth refused to register them. When asked by Mr. Vanderhilt why and on what grounds did he base his refusal, Mr. Hollingsworth gave the following reason saying; "Owing to all the 'bickering and squabbling' among the teams in the South and with each team bidding against the other for the services of the Green Acres; 'We have decided not to allow any of the Green Acres players to sign with any of the Senior teams down there.' 'But these same players would be eligible to join an Intermediate team in the town of their residence.' (end of quote.)"

Gentleman, we feel the decision as handed down to us by the registration Committee through the Sec. - Registrar was hasty and ill-considered. We therefore request a review of this decision by the complete executive of the AABA as to the eligibility of these players to sign with the Union Jacks and Magrath Rockets or any other team in the South. Providing of course that the applications were in the hands of the Sec. - Registrar by the dead line Feb. 1st. Sec. 9 of Article X: of the constitution provides for this.

We the Raymond AAA, Union Jacks and Magrath Rockets basketball team feel that we are entitled to fair and impartial hearing on this matter.

Sincerely yours,

"John H. Lagua"
